

SUNY Cortland *Red Dragons*

2004-05 Team Guide

Men's Basketball

Season Preview

Last season's Cortland Red Dragons won 17 games, reached the SUNYAC semifinals and competed in the ECAC Upstate New York playoffs. The 2004-05 squad will look to build upon its previous success with physically improved returning players along with a group of very talented newcomers. Tenth-year head coach Tom Spanbauer is very excited about the blend of youth and experience as well as the offensive potential of this year's squad.

Although the team appears to be somewhat young, with only two players on the roster with more than one year with the program and a total of eight new faces on the team, Spanbauer has a group of players with significant college experience. Each one of the returners enters the season stronger and in better condition and many of the newcomers bring a physical presence to the floor.

The strength of the team is a deep bench loaded with players who can bring instant scoring punch to the floor. Spanbauer has good size on the perimeter and looks to exploit matchup problems. The team features a number of players who are very competent on offense, making the Red Dragons a difficult team for which to prepare.

Junior Simon Skrelja is one of only two players to be in his third season with the program.

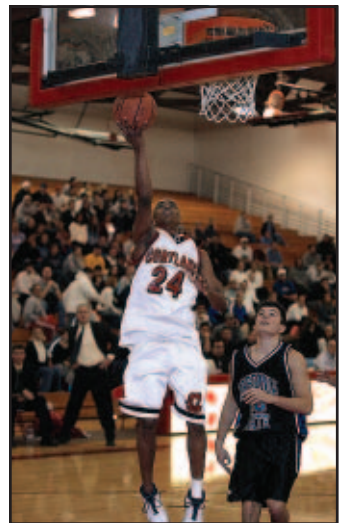

the team. Junior Simon Skrelja is in his third year with the program and averaged 1.6 points and 1.9 rebounds per game in 23 appearances last season. Sophomore Rod Headley played in all 28 games with 10 starts last season and averaged 3.0 points and 2.1 rebounds per game. Skrelja and Headley, along with 6-4 freshman Jamie Procino, have the ability to put the ball on the floor and create off the dribble. Two other newcomers, sophomore Dave Maggiacomo and freshman Michael Jankiewicz, have demonstrated the ability to utilize the three-point arc within the team's offensive sets.

Junior guard Brian Kirchoff led the team with 69 three pointers during the 2003-04 season.

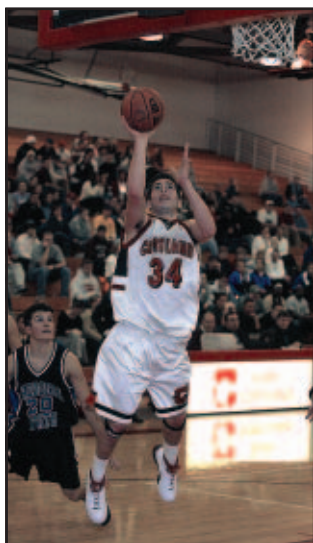

Junior Frank Ranieri, an honorable mention All-SUNYAC selection last season, is Cortland's most experienced player. Ranieri is a crafty, blue-collar forward, who is a serious scoring threat from anywhere on the floor. He was second in scoring last season with 12.9 points per game and led the team with 6.4 rebounds per game and enters 2004-05 with an overall improved game. Freshman Quentin Merritt is a smaller but quicker forward, who can score around the hoop and will also be called upon to handle rebounding responsibilities.

While the Red Dragons may be a little small at forward, they do have size in the middle with 6-8 freshman Joe Sargent. Sargent is a true center with a very evident presence on both ends of the floor. Sophomore Chad Perkins, who averaged 2.3 points and 1.8 rebounds per game as a freshman, has improved his strength and ability to defend and will be looking for more playing time this year. Both Sargent and Perkins are competent back-to-the-hoop or face-up scorers. Also competing for time is 6-6 freshman Rich Budde out of Clarence High.

Senior Justin O'Garrow set a single-season record with 86 steals during the 2003-04 season.

Much like last season, Cortland's overall balance will be critical to the team's success and how far it can go in the conference and in the postseason. While Spanbauer believes the Red Dragons have improved as a team, he notes that the entire SUNYAC has improved, making for no easy games. The deeper bench should make Cortland competitive in every game and an explosive offense hopes to provide plenty of excitement throughout the season.

Junior Frank Ranieri was second in scoring and led the team in rebounding last season.

The depth of scoring at the perimeter positions hopes to be a strength of this year's team. Sophomore Dave Jutton started all 28 games last season and averaged 9.9 points per game while hitting 64 three pointers. Junior Brian Kirchoff led the team with 69 treys and averaged 10.0 points and 4.0 rebounds per game. Both earned significant minutes in 2003-04 and are proven long-range shooters capable of carrying

Coaching Staff

Tom Spanbauer
Head Coach

Tom Spanbauer enters his 10th season as SUNY Cortland's head men's basketball coach in 2004-05. He earned both National Association of Basketball Coaches (NABC) East Region and New York State Basketball Coaches Association "Coach of the Year" honors twice after leading the Red Dragons to NCAA Division III "Sweet 16" playoff appearances in 1999 and 2000.

Spanbauer has been named the State University of New York Athletic Conference (SUNYAC) "Coach of the Year" three times, most recently in 2001 when he guided the Red Dragons to a 21-7 record, the SUNYAC regular-season title and an ECAC Upstate New York tournament appearance. He also won the award in 1997 and 1999.

Spanbauer's overall record at Cortland is 149-100 (.598), and he enters the 2004-05 season one win shy of matching Pete Corey for career victories at the College.

In the 1999-2000 season, the Red Dragons enjoyed a school-best 24-5 season that featured a school-record 18-game winning streak. They were SUNYAC tournament and regular-season champions. In 1998-99, Spanbauer's squad went 23-7 and captured SUNYAC regular-season honors.

Cortland has played in the post-season eight times since Spanbauer's arrival. In 2003-04, the Red Dragons were 17-11 and qualified for the ECAC Division III playoffs. The Red Dragons were 13-13 in 1997-98, appearing in the ECAC playoffs and winning their fourth consecutive SUNYAC Eastern Division title. In 1996-97, Spanbauer led Cortland to a 19-9 record and the program's first-ever NCAA playoff appearance. In his inaugural season at the helm in 1995-96, the Red Dragons posted a 16-12 record and advanced to the finals of the eight-team ECAC tournament for the first time in school history.

"Our program has a focus on the holistic development of the student-athlete, and we continually strive to expose our players to the best athletic and academic opportunities available at the Division III level," said Spanbauer. "As a result of this focus, many of our players have been recognized through college, regional and national awards and scholarships."

Prior to his arrival at Cortland, Spanbauer was the head coach at Alfred University for one year and an assistant at Alfred for five seasons. His 1994-95 Saxon unit posted a 12-13 record, the best at the school in five years. Spanbauer also handled athletic administrative and physical education teaching duties at Alfred. He was the Saxons' head men's tennis coach for four years and women's tennis coach for one year. He currently serves as Cortland's interim associate athletic director and teaches in the physical education department.

A Niagara Falls, N.Y., native, Spanbauer was a three-sport standout at Niagara Catholic High School. He graduated from Cortland in 1983 with a Bachelor of Science in Physical Education and earned a master's degree in 1986 at the College while serving as an assistant varsity and head junior varsity coach. Spanbauer was a four-year letterwinner, two-time team captain and two-time All-SUNYAC selection with the Red Dragons' basketball squad. He finished with 1,106 career points, including a 427-point effort during an All-ECAC and All-State senior season.

Prior to his coaching at Alfred, Spanbauer served as the freshman basketball coach at Albany High School from 1986 to 1988 and as an assistant basketball coach at the University at Albany from 1986 to 1989. He has also been involved with basketball at the Empire State

Games, both as a player (Adirondack Region, 1988, and Western Region, 1990), assistant coach (Western Region 1993-96, including gold medal teams in 1994 and 1995) and head coach (Central Region, 1997-99). In addition, Spanbauer has served as the director of the High Five All-America summer basketball camp in Liverpool, England, and currently is the director of the Red Dragon Basketball Camp.

Maurice Maggolino
Assistant Coach

Maurice Maggolino enters his third year as an assistant coach on Tom Spanbauer's staff during the 2004-05 season.

Maggolino has coached at many basketball camps throughout New York State, including Le Moyne, Army, Nazareth and the Adirondack Basketball Camp. He was also the head coach for the Central Region Open men's basketball team at the 2004 Empire State Games and an assistant coach for the Central Region at the 2003 Empire State Games.

Maggolino most recently served as a student assistant coach for the men's varsity basketball team at Ithaca College. Prior to that, he assisted with the Bombers' junior varsity squad.

Maggolino is a 2002 graduate of Ithaca, where he earned a Bachelor of Science in Health and Physical Education. While at Ithaca, he competed in the basketball program for two seasons. He is currently studying for his master's degree in Physical Education at Cortland.

A native of Clay, N.Y., Maggolino graduated from John C. Birdleough High School in 1998, where he participated in basketball and soccer, earning all-league honors twice in basketball.

Mac Knight
Assistant Coach

Mac Knight enters his second season as an assistant coach on Tom Spanbauer's staff during the 2004-05 season.

Prior to Cortland, Knight coached the Ithaca High boys' varsity basketball team from 1993-2002 and the Ithaca High boys' modified basketball team from 1989-92. He also served as head coach of the softball and junior varsity football teams from 1990-94 at Ithaca, where he is currently a physical education teacher.

Knight earned a bachelor's degree from the University of North Carolina-Chapel Hill in 1977, where he played junior varsity basketball for two seasons. He earned his master's degree in Recreational Education from Cortland in 1997.

Knight currently resides in Cortland and has three daughters -- Stephanie, Angela and Margaret.

He has also been an assistant coach on the Division I level at the University of Vermont and Fairleigh Dickinson (N.J.)

About SUNY Cortland

Located atop one of the rolling hills in central New York's "City of Seven Valleys," the State University of New York College at Cortland was founded in 1868 as the Cortland Normal School, which included among its earliest students inventor and industrialist Elmer A. Sperry of Sperry-Rand Corp. fame.

Over the decades, the campus expanded and in 1941, by an act of legislature and the Board of Regents, the institution officially became a four-year college providing courses leading to the bachelor's degree. In 1948, Cortland was a founding member of the State University of New York.

Today, approximately 7,500 students are pursuing degrees within the College's three academic divisions — arts and sciences, professional studies and the school of education. Twenty-three departments with a faculty of more than 400 offer the SUNY Cortland student body 70 majors and 44 minors from which to choose.

The College's main campus covers 191 acres and includes 30 traditional and modern buildings. Fourteen of these structures are residence halls providing on-campus housing for approximately 3,000 students. Cortland also operates its Outdoor Education Center at Raquette Lake in the Adirondacks, the Hoxie Gorge Nature Preserve outside Cortland, and the Brauer Memorial Geological Field Station on the Helderberg Escarpment near Albany.

At Cortland, athletics are viewed as having an important role in the educational mission of the College. During the fall, winter and spring seasons, Cortland participates in 25 intercollegiate sports — 14 women's and 11 men's — in an attempt to provide a broad program which meets the needs, interests and abilities of its students.

The Cortland athletic program placed eighth nationally out of 430 colleges and universities in the 2003-04 all-sport National Association of Collegiate Directors of Athletics (NACDA) Directors' Cup Division III standings. The award was

formerly known as the Sears Directors' Cup from 1995-2002. Cortland is the only New York school and one of only six nationwide to finish in the top 20 each of the last nine years. Since 1989, the Red Dragons have captured 12 NCAA Division III team titles.

The College offers its student-athletes excellent athletic facilities. The newly-constructed on-campus stadium features two artificial turf fields. One field seats 6,500 spectators, the other 1,500. The Cortland football, field hockey, men's and women's soccer, men's and women's lacrosse and men's and women's track and field teams are among those who utilize the facility, which the *New York Times* called "...a new stadium worthy of a major university power."

The Bessie L. Park Physical Education and Recreation Center, opened in 1973, features the Whitney T. Corey Gymnasium with a 3,500 seating capacity; the Olympic-sized Harriet Holsten swimming pool with gallery seating for 1,500; the Alumni Ice Arena, a facility which can accommodate 2,500 spectators; a 500-seat gymnastics arena, racquetball and squash courts, a wrestling room, modern athletic training facilities and the state-of-the-art Francis Woods Fitness Facility.

Nearby Clayton R. Lusk Field House, with its tartan-textured surface, is home for the indoor track teams, varsity practice sessions and recreational activities. Cortland's soccer teams play on T. Fred "Prof" Holloway Field, which has lights for night contests and newly installed bleachers. The College also has 22 outdoor tennis courts and two outdoor basketball courts and boasts Robert H. Wallace Field (baseball) and Dragon Field (softball) as part of its 51 acres of athletic fields.
